

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 305 - HB 270

February 13, 2015

SUMMARY OF BILL: Changes the hotline number law enforcement should provide to minor victims of prostitution from the national human trafficking resource center hotline to the Tennessee human trafficking resource center hotline.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Changing which hotline law enforcement officers are required to provide to a minor victim of prostitution will result in an increased volume of calls being handled through the Tennessee Human Trafficking Resource Center Hotline, which is maintained by the Tennessee Bureau of Investigation.
- The increased call volume will not significantly affect the workload and operational resources of the hotline; therefore, any increased expenditures can be accommodated within existing resources without an increased appropriation or reduced reversion.
- State and local law enforcement agencies confirm that the bill will not impact their operations.
